We are a Garden for everyone.

The brainchild of The Duchess of Northumberland, The Alnwick Garden is a multi-award winning visitor attraction based in Alnwick, Northumberland.

Our 12 acres of meandering and magnificent Gardens are home to the world's largest Tai Haku Cherry Orchard, a Grand Cascade comprising 120 water jets and the world's largest Treehouse Restaurant.

We are a place where everyone is welcome.

Families and children can run freely throughout The Garden playing on our mini diggers and interacting with our daily summer street theatre programme.

At other times of the year, The Garden is a peaceful and tranquil haven to spend hour after hour wandering amongst the Roses, the Ornamental Garden and the Cherry Blossom or just kicking back to take it all in on one of our 50 swinging benches.

If you are looking for a unique dining experience, why not dine in our magnificent Treehouse Restaurant? Or for a lighter bite then you can visit the Posing Shed, The Bakery or The Pavilion Cafe.

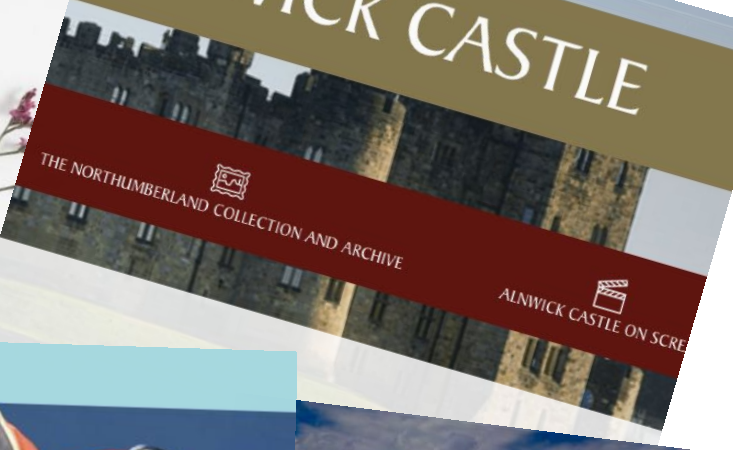

And above all we are a charity.

Any surplus from running the Garden is re-invested into the future of the Alnwick Garden for the future through one of our many projects around Northumberland from a village hall to a new school.
